1961 Route 6 Carmel, NY 10512  
845-228-7457 or Toll Free: 1-888-788-6268

## **Beyond the Time-Out Chair**

Problem behaviors in children vary from mild to severe and are often associated with developmental delays and the inability to communicate effectively. These behaviors can severely interfere with educational performance and the home environment.

***Sheri Lauro, BCBA***  
***Monday, September 26, 2011***  
***6:00-8:00 p.m.***

- The functions of behavior and effective positive interventions to control them.
  - Easy behavioral techniques to encourage speech and language skills.
  - The components of an effective Functional Behavior Assessment.
  - How to use this information to advocate for services in school

**Resource Center for Accessible Living (RCAL)**  
**727 Ulster Avenue**  
**Kingston, NY 12401**

**This workshop is FREE.**

*A workshop can be presented for any parent group or agency by calling  
Parent Training Coordinator, Isabel Hershkowitz, at  
1-888-788-6268 x 1116*

**Co-Sponsored by:** Resource Center for Accessible Living, Kingston, NY, and Putnam Independent Living Services' Parent Training and Information Center.
