Please join Westchester Independent Living Center and ACCES-VR for a one night **EXCLUSIVE** screening of, Right Footed. Born without arms as the result of a severe birth defect, Jessica Cox never allowed herself to believe that she couldn't accomplish her dreams. Directed by Emmy Award winning filmmaker Nick Spark, Right Footed chronicles Jessica's amazing story of overcoming adversity and follows her over a period of two years as she becomes a mentor for children with disabilities and their families, and a disability rights advocate working in the U.S.A. and abroad.
