

# Does Your Child Struggle with Reading, Writing and/or Math?

**1 in 5 will struggle, so when does it become a major issue?**

**Join us for a series of 3 webinars exploring:**

## **Dyslexia (reading)**

Tuesday July 7<sup>th</sup> 10.30am-12pm [Link](#)

## **Dysgraphia (writing)**

Wednesday July 8<sup>th</sup> 10.30am-12pm [Link](#)

## **Dyscalculia (math)**

Thursday July 9<sup>th</sup> 10.30am-12pm [Link](#)

We will cover the following:

- Symptoms and red flags
- Documentation during shutdown
- Tips and resources to use at home
- How to advocate when school resumes

***Click on the corresponding link to sign-up, you are welcome to sign-up for just one or all three. If you would like more information, please contact Fiona Rattray at [frattray@putnamils.org](mailto:frattray@putnamils.org)***

This workshop is sponsored by Westchester Independent Living Center's (WILC) Parent Training and Information Center (PTIC). WILC is a Core Community Partner funded by a contract with Starbridge Services, Inc. (formerly the Advocacy Center) in Rochester, NY through its PTIC grant from the United States Department of Education (H328M110020).
