Introduction to Finance

The Minority Outreach program is working remotely to provide ongoing service during this time of crisis. Due to COVID-19 and the “Stay Home” social distancing risk factors, we will be conducting our Introduction to Finance program via Zoom Meetings.

Minority Outreach Program will hold our **Introduction to Finance**

Workshop on Wednesday 08/12/20 from 1pm – 3pm.

Wifi or internet service and a smart phone, tablet or desktop computer is required to join. Although a camera is not required, your interaction and participation is needed to complete.

You will learn the basics of credit and how to manage your finances. This is a one day, 2 hours workshop. The goal is learning about your credit score, the major credit reporting bureaus and how to build a positive credit report.
