Fair Housing for People with Disabilities:

Understand your clients rights and options.

Join us as we have a conversation with Westchester Residential Opportunities regarding Fair Housing Investigations and Education. Do you have questions regarding what constitutes discriminations? What accommodations can one request/expect? Most importantly, how can we best advocate for/with our clients and what are our options? You don't want to miss this presentation.

Presented by:

Ariana Calderon WRO

Program Manager: Fair housing Investigation & Education

Michael Hellmann WILC
